*Please read this information carefully:

- All prices are excluded taxes.
- Shipping is not included.
- The number of colours (1-4) does not change the price.
- 1 sheet version is included. You may include several designs within the same sheet without any additional costs.
- Additional sheet versions may be ordered. A supplementary cost of +37€ per new version must be considered.
- The standard delivery is in lots of 100 pcs with a rubber band.
- Single packing is available on demand. Please consider that the minimum packing cost is 370€, so it may not be interesting for small quantities.
- For any other desired size, quantity, presentation, etc. please contact us directly.
- These prices are available for 2024 or until the next update.

The ideal Artwork File

- Accepted formats are .pdf, .psd, .tiff, .png, .jpg et .ai.
- The printing quality is CMYK 300dpi.
- We need a cutting bleed of 3mm, so the printing area will always be at least 6mm smaller than the paper size.
- If the sheet has several tattoos within, the distance between them must be at least 6mm.
- The legal text of the back is added by us. You may however send us your logo or claim to be included without additional costs.
- We will send a digital printing proof to be validated before production.

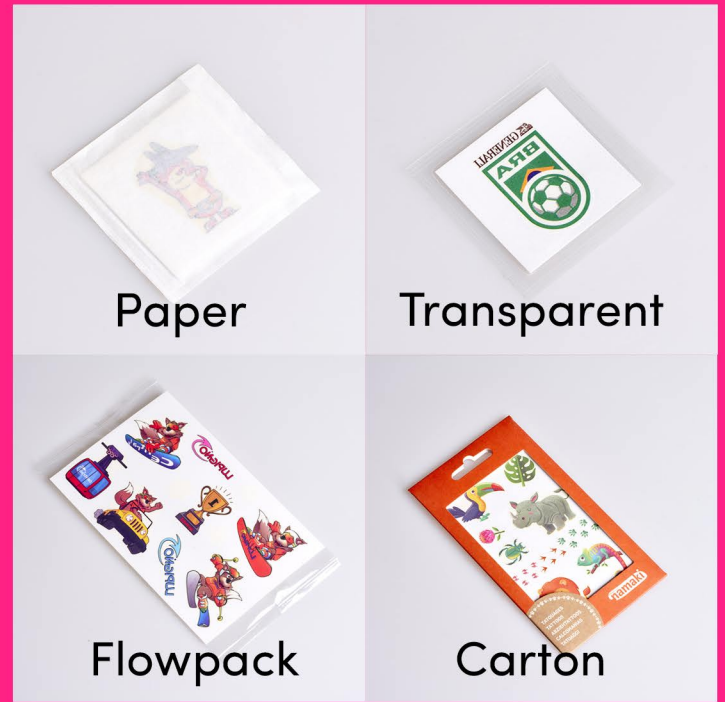

Special Effects

Glitter, glow in the dark, gold and metallic

Add an interesting twist to your tattoos using any of our special effects. These inks have also been tested and validated to guarantee a safe distribution of the tattoos.

Other available options

Should you have different specifications or you need a higher degree of customisation of the tattoos, don't hesitate to let us know. We can also die-cut the sheets, print in full colour the back, single-pack, etc.

We look forward to working together!
